ACPIN International Neurophysiotherapy Conference 2016
Poster Call

We would like to invite you to submit a poster for display at the International Neurophysiotherapy Conference: March 17th-18th 2016

The poster categories for this year are:
- Clinically related posters
- Service related posters
- Scientific Research related posters

The International Scientific Review panel will select the poster abstracts according to the quality of the research, its relevance to clinical practice and the clarity of the abstract. Accepted abstracts will be posted on the conference website (with the author’s permission).

The closing date for submission of poster abstracts: 7th December 2015 5pm

The decision date for poster submissions: Week beginning 4th January 2016

The posters in each category are expected to deliver a brief platform presentation at conference on the 17th-18th March 2016 and will need to register for the conference.

As in other years, there is a poster prize which will reflect the international aspect and caliber of the conference.
